HISTORIC LANDMARK, LEGENDARY WINES

Martin Ray Winery is emerging as a major player in today's wine industry. We are a dynamic organization offering unique products, higher than normal profitability and a refreshing sales and marketing approach stressing partnership. Our goal is to build a strong, innovative company that will be a leader in the wine industry for years to come.

MARTIN RAY WINERY

Martin Ray Winery was established in 1943 in the Santa Cruz Mountains. Martin

Ray's mission was to make 100% varietal wines in California that could rival great French Bordeaux and Burgundy wines. Today, we continue the tradition of making 100% varietal wines from mountain vineyards using the same winemaking practices that made Ray a legendary figure in the wine business.

VINEYARDS

We source grapes from some of the most unique mountain vineyards in California, including Sonoma Mountain, Diamond Mountain District, Stags Leap District and the Montebello region of the Santa Cruz Mountains area.

WINEMAKING

Head winemaker, Bill Batchelor, is no stranger to Sonoma County and has made wine for over twenty years.

Bill's intuitive approach to winemaking create the perfect conditions where wines develop naturally. Ray believed that great wine developed on its own without the interference of the winemaker. In fact, great winemaking is the result of the winemaker's ability to use those tools that Mother Nature provides. We use the finest French oak barrels with a preference

for medium toast to allow the perfect integration of all the key components that go into making great wine.

TASTING ROOM

In July 2003, we purchased a historic winery site in the heart of Russian River Valley. Our winery is one of the oldest operating wineries in Sonoma County, as well as California. Enjoy select wines from Martin Ray Winery, featuring our renowned Mountain Reserve series. Also taste the other wines from our Martin Ray family, including Angeline Winery and Courtney Benham wines.

Bring a picnic and enjoy a glass of wine on our beautiful picnic grounds overlooking the vineyards. Tours of our historic winery are available by appointment.

Located just sixty miles north of San Francisco on the outskirts of Santa Rosa, the Martin Ray Winery tasting room is a warm and friendly place welcoming customers daily from 11-5pm.
